The application period for early childhood enrollment will open annually during the first week of January. Families will have a 7-week window to submit their applications, with the deadline typically falling around February 21.

Match results will be available during the last week of April each year. This is when families will be notified of their child's enrollment status and seat placement.

Remember to apply within this annual window to ensure consideration for your preferred school or program. Applications received after the deadline will be considered during Open Enrollment.

The application for 2025 - 2026 period for early childhood enrollment is open from January 6 to February 21. During this time, families can submit their applications for the upcoming school year.

Match results for LA4, NSECD, Head Start and Early Head Start will be available during the week of April 28. This is when families will be notified of their child's enrollment status and seat placement.

For City Seats, ECEF and CCAP B-3 will receive seat placement during Open Enrollment after receipt of state allocation in June.

Open Enrollment begins June 2, 2025.

The application for 2025 - 2026 period
for early childhood **Main Round**
enrollment is open from January 6 to
February 21.

Open Enrollment begins June 2, 2025.

What is Main Round Enrollment:

Held once per year, this is when all publicly funded seats become available for all eligible children. If your application is approved and your child is eligible for a free seat, your choices will be included in the match and eligible to be waitlisted.

Due to the timing of the state's seat allocations, these following funding sources receive placement during main round:

- Early Head Start
- Head Start
- LA4
- NSECD
- Tuition (Family Pays)

What is Open Enrollment:

The period outside of Main Round Enrollment. Applications are accepted for publicly funded seats, but placement is not guaranteed. (Students added to the waitlist behind main round applicants.)

Although all of the funding sources might not be available at the beginning of Open Enrollment due to the timing of the state's seat allocation, this is the enrollment period that will offer them all at various points during the cycle.
