Registration Details

Welcome! In order to keep your seat for the 2024-2025 school year, you must complete student registration by May 24, 2024. Benjamin Franklin uses an online registration process for all students. New families will need to provide proof of guardianship and proof of residency to complete registration.

Option 1 - Parents will receive an email from noreplyenrollment@powerschool.com with instructions and a unique 'snapcode' necessary to complete New Student Registration for 2024 – 2025. Requested documentation may be uploaded directly through the online platform. This process replaces all of the paper forms usually collected during the registration process and at the beginning of each school year.

If a parent has multiple students, they will receive a separate email with a unique snapcode or snapcode link for each child. Registration not completed by May 24, 2024 (for Main Round) or within 5 days of receiving placement throughout the year, may result in loss of placement at Benjamin Franklin.

Option 2 - Parents are welcome to schedule an appointment to receive assistance completing online registration in person at the main campus of Benjamin Franklin located at 1116 Jefferson Avenue New Orleans, LA 70115. Please contact us via email at bferegistration@loenola.us with the parent's name and contact information to request an appointment. A staff member will contact you to schedule an appointment during Benjamin Franklin's normal business hours and provide you with the list of documents to bring with you.

Questions? Please reach out to Mrs. Blackwell, Data Manager Grades PreK - 8 at (504) 359-7724 or send an email to bferegistration@loenola.us Parents may also contact the main office (504) 304-3932 and ask to speak with the Parent Liaison, Ms. Mills, or one of our other Office Staff members.
