

## Looking for a NEW START? EQA has Options for You!

EQA Schools is committed to providing **high quality options for young people who may have struggled** in a traditional setting. We have **flexible schedules, small classes, free childcare, and lots of one-on-one support.**

We are built to support students who are working, parenting, overage, failing, bored, or otherwise struggling in a traditional setting. Our staff are trained to work with students who want to get ahead or catch back up.

## FAQs

Questions	Answers
Will EQA help me get in my right grade?	Yes! As alternative/accelerated campuses, we have a variety of schedules and pathways to help you catch up on your credits and get back on track to graduation.
Can I return to my current school after this year?	Yes! You are welcome to come to an EQA school for this year, catch up, and return to your current school to graduate.
Are these “real”? Will I earn a “real” diploma?	Absolutely! All EQA schools follow the same curriculum and guidelines of all public schools and you earn the exact same diploma. If you are in the HiSET program, you will earn a High School Equivalency diploma.
