

K-12 Open Enrollment Grades with Available Seats

Students that need a seat for the 2022-2023 school year can participate in self-service enrollment by logging into the NOLA-PS Parent Application Portal (nola.ps/login). Each grade with available seats is listed as an option in the Parent Application Portal.

Visit www.enrollnolaps.com to see available seats. Explore schools at nola.explore.avela.org.

For assistance, contact the Family Resource Center by email (enroll@nolapublicschools.com) or leave a message at 1-877-343-4773.

How To Participate

01 Log into the NOLA-PS Parent Application Portal

Nola.ps/login

02 Choose the Open Enrollment K-12 Tab

Select the appropriate grade level for your student.

03 Select Enroll to see School Options

Select the enroll button next to your student's name to see school options for the 2022-2023 school year.

04 Select an Available School From the Dropdown

See school options for your student's grade level. Choose the one that best fits your family's needs.

05 Select Transfer Student

Confirm your student's enrollment at the school you selected. Please remember that once you select a new seat, your student will immediately lose their current placement.

06 Select Complete Enrollment

Once your student has been assigned to the school placement, you will receive a confirmation email. Next, you will follow up with your student's school to complete registration by submitting required documents. Be sure to register right away!
